

Sharon Merkel - Beattie Certified Level 3 EC Dressage Coach

Hometown: Sturgeon County, Alberta

Birthdate: March 1, 1963

Birthplace: Edmonton, Alberta

Occupation: Level 3 Dressage Coach

Coach: Gina Smith

Stable: Windhaven

Sharon began riding at the age of ten after finally convincing her parents that she needed a horse. They purchased an ex-barrel racer for Sharon and her sister to share. Every day the sisters would bike five miles carting a western saddle in the back of a homemade cart to where they boarded their horse. After riding they would then bike home. This continued until they could move the horse home to their acreage.

Sharon became interested in dressage after watching Bonny Bonnelo do a demonstration at Northlands. She liked the idea of making horses dance. In order to become more involved with horses Sharon made a deal with her parents, when the time came she would go to University if they would help pay for her horses.

Upon graduating from University, Sharon took a working student position with Bonny Bonnelo in Sherwood Park. Since then she has trained with George Theodorescu, Cindy and Neil Ishoy and Gina Smith. Sharon is a certified Equine Canada Level 3 Dressage Coach. She has coached students to several National and Provincial Championships over the years including Canadian Champion Status in Arabian Dressage, Young Rider Dressage Championships in Chicago, Illinois and Jr. FEI Dressage Championships in Batavia, Ohio.

Sharon is currently heading out to Ontario to train with 3 time Olympian Gina Smith. She will be attending two CDI shows. One in Saugerties New York and the other in Devon Pennsylvania. Her intent is to obtain qualifying scores so that she can declare for the 2012 Canadian Olympic Dressage Team. Sharon's current mount is Essence of Glory a 15-year-old Hanoverian mare that Sharon trained from a four-year-old.

Windhaven, a 20 stall Dressage stable in St. Albert, Alberta is Sharon's stable which she runs along with her husband, Colin, daughter, Rachel. Windhaven is in its 15th year of operation.

With the limited spare time that Sharon has she spends time with her eight year-old daughter, Rachel, or doing Sudoku and reading.
